Introducing The Broadley, a striking new residential address perfectly positioned in the heart of Marylebone, one of central London's most established and characterful neighbourhoods.

This three bedroom quadruplex apartment is arranged across four levels within the 13-storey building and offers generously designed internal space with a carefully planned layout for modern city living. The lower level features a contemporary, fully integrated kitchen and dining area, finished with high-quality appliances and modern cabinetry, with access to a private balcony. The first floor comprises a bright living area, a guest WC, and access to a second private balcony, creating a comfortable and functional space for relaxing or entertaining. The second floor hosts two spacious bedrooms, each with its own en-suite bathroom, as well as access to another private balcony, providing excellent natural light and outdoor space. The top floor features the third bedroom and an additional bathroom, offering privacy and flexibility for guests, family members, or a home office.

Residents at The Broadley benefit from an exceptional range of private amenities, including a 24-hour concierge, private screening room, residents' lounge and co-working space, and a fully equipped gym powered by Peloton with a dedicated Peloton suite. The development also offers beautifully landscaped communal gardens and terraces, providing a peaceful retreat within the city. The building's distinctive red-brick façade and elegant arches draw inspiration from Marylebone's Georgian and Victorian architectural heritage, while the interiors reflect a refined balance of craftsmanship and contemporary design.

The development enjoys excellent connectivity, with Edgware Road Station, Marylebone Station, and Paddington Station all within walking distance, providing access to the Bakerloo, Circle, District and Hammersmith & City lines as well as National Rail services.
